## Communicating with Students and Parents

Campus Instruction and the existing Campus Tools provide a number of ways you can communicate directly with students or their parents/guardians.

### Message Center Tools

You can send three types of messages from the Message Center itself, including a Class Message, a Grades Message, or a Missing Assignments Message.

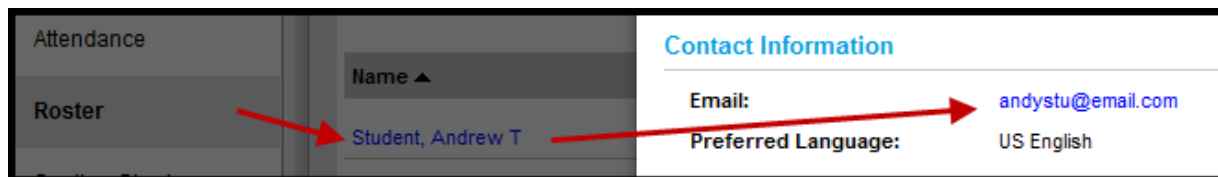

#### Message Tools in Campus Instruction

Available Message articles:

- [Send a Grades Message to Students and Guardians](#)
- [Send a Missing Assignment Message to Parents](#)
- [Send a General Class Messages to Students and Parents](#)

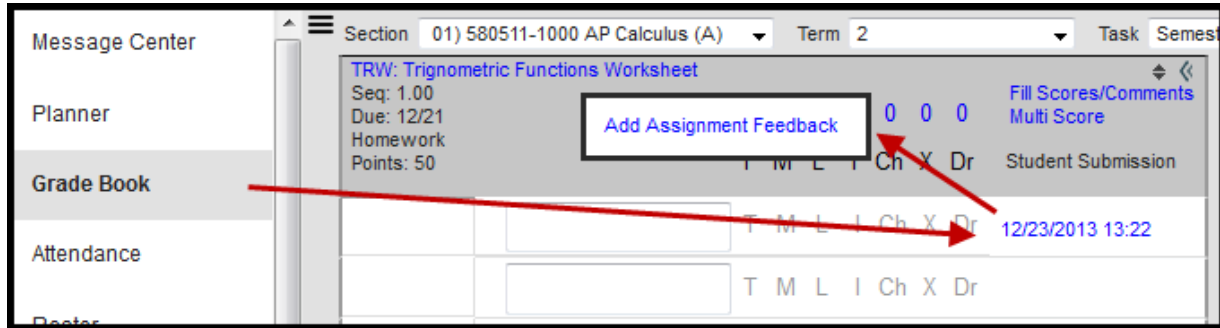

### Elsewhere in Campus Instruction

Contact students through their demographic information, accessed by clicking their names in the Roster and elsewhere:

#### Accessing Student Email Addresses through the Roster

Or comment on a specific assignment through the Student Submission feature:

*Send Feedback on an Assignment through the Student Submission*
